I Will Wait

Mumford and Sons

```
              C
Well, I came home
        F
Like a stone
           C                G
And I fell heavy into your arms
              C
These days of dust
            F
Which we've known
           C                  G
Will blow away with this new sun

    Am   Em7   C
But I'll kneel down
F    C   G
Wait for now
    Am   Em7   C
And I'll kneel down
F    C  G
Know my ground

    C                              Em   G
And I will wait, I will wait for you
    C                              Em   G
And I will wait, I will wait for you

            C
So break my step
       F
And relent
              C                    G
Well, you forgave and I won't forget
               C
Know what we've seen
             F
And him with less
            C                  G
Now in some way, shake the excess

       C                                Em   G
'Cause I will wait, I will wait for you!
    C                                Em   G
And I will wait, I will wait for you!(X3)

              C
Now, I'll be bold
           F
As well as strong
           C                   G
And use my head alongside my heart
           C
So tame my flesh
           F
And fix my eyes
           C                       G
A tethered mind freed from the lies

    Am   Em7   C
And I'll kneel down
F    C   G
Wait for now
    Am   Em7   C
And I'll kneel down
F    C  G
Know my ground (Whoo!)

C   Em7-Am   F-C-G   (X2)

C     Em7 Am
Raise my hands
F        C      G
Paint my spirit gold
    C   Em7 Am
And bow my head
F       C     G
Keep my heart slow

       C                                Em   G
'Cause I will wait, I will wait for you!
    C                                Em   G
And I will wait, I will wait for you!(X3)
